

# QUALITY POLICY

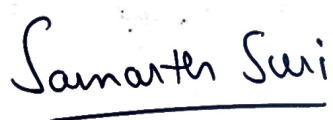

We at Quality Asia shall strive to surge ahead in certification and related processes through a commitment to continual improvement in the quality of our services, in customer satisfaction and our quality management system.

Quality Asia is committed to delivering reliable and impartial certification services. Our certification processes are conducted impartially and objectively. We identify and manage potential conflicts of interest to ensure the integrity of our certification decisions.

We focus on client satisfaction through efficient processes, competent personnel, and continual improvement. Our commitment to quality ensures compliance with applicable accreditation criteria, applicable statutory and regulatory requirement and customer expectations

We protect the interests of society and other interested parties while providing our services in an independent, impartial and ethical manner.
